**Our 'Living Stones' Parish Centre Project moves up a gear in May.  
Please be sure to add these important dates to your diary now for prayer and action.**

## **9th May, Development Sunday**

### **9.00am & 11.00am, Prayer & Resourcing Services**

*At these services we will begin a fortnight of dedicated prayer and giving. We will be reminded afresh about the project, about why it is so vital for us as a church and about what **still needs** to be achieved.*

***Prayer will be the key to raising the final £250k still needed to finish the project.** More detailed information will be distributed in due course but **PLEASE START TO PRAYERFULLY CONSIDER YOUR RESPONSE NOW.** – Whilst this project has much needed momentum at this point, none of us can become complacent and we all must sacrificially pull together one last time to ensure a successful conclusion.*

*People are invited to bring their pledges along on this day but the opportunity to give will remain open for two weeks to allow everyone **the opportunity** to give.*

### **6.00pm, The Building and Us**

*Come and meet the builders .... John Butler (Director of Jaybuild Projects Ltd) and others from the development team will be on-hand to allay concerns, answer questions and generally help us understand the process. This will be your opportunity, along with the members of the community to come along and ask any practical questions you may have about the development.*

## **23<sup>rd</sup> May, Pentecost Sunday**

### **9.00am, 11.00am & 6.00pm**

*As we celebrate the birthday of the church we will be announcing the final gift day amount.*

### **Other dates to remember in your prayers**
