

What can you do?

Here are just a few ideas of ways you could contribute:

- Ask a local choir or musician if they would perform at St Thomas' with proceeds going to the Living Stones Project
- Hold a coffee morning or garage sale and invite your neighbours
- Host a jewellery party at home for your friends. Call Jenny Dods (567715) to book
- Organise a plant & produce sale with home-grown cuttings and homemade jams
- Commit to collecting all your loose change for the next 6 months – and don't forget your foreign currency and old coins
- Hold a cake sale at school

And remember, it's about putting the 'fun' in fundraising – making new friends and reaching out into our community, so whether you raise £10 or £100, it doesn't matter! Just ring Emma (551388) and let her know what you're planning.

Scrap Metal and Alu Cans & Foil

Tim Wheeler (450680) and Phil Bird (455854) carry on collecting unwanted scrap metal and converting it to cash. So dig around in your garage or garden shed and see if there any oddments of metal tucked away in a corner, esp car batteries, lead, copper or brass.

And don't forget that there is a recycling bin in the foyer at church for aluminium cans and clean foil.

Putting the Fun into Fundraising for the Living Stones Parish Centre

Building a Parish Centre at the heart of Brampton to serve the community and share the love of Jesus

You have really thrown yourselves into raising money through line dancing, car washes, night hikes, concerts, sponsored walks/bike rides, jewellery & card sales, coffee mornings, pudding tasting – and hundreds of other activities.

Thank you for all your hard work. We have had lots and lots of fun, deepened friendships, welcomed people in from the local community and in 2008 raised well over

£10,000

But although you have all been incredibly generous, we are still about £150,000 short of our £900,000 target.

So we invite you to carry on our fundraising activities for another 12 months. In the next couple of pages, there are plenty of ideas about how you can contribute, but be as creative as you like!

Thank You

St T's Kayak Marathon

13-14th June 2008

Sponsored Paddle in aid of the Living Stones Project

Twelve intrepid adventurers have set themselves the challenge of kayaking / canoeing 26 miles from Hoarwithy to Symonds Yat, with an overnight stay in Ross-on-Wye. And all to raise money for the Living Stones Project!

Do you realise that if every member on the electoral roll sponsors them just £3 – this would raise a fabulous £600 – and if you could increase that to £5 – they should break the £1,000 mark.

So please support team St T's which is made up of Matt and Jack Barnes; Martin, Gill, Eleanor & Alex Bailey; Tim & Sam Wheeler and Steve, Julie, Eleanor & Sam Lomas.

There are sponsorship forms at the back of church or email / phone your pledges to Julie on 01246 277448; julie-lomas@btconnect.com

"Fabulous You"

Top colour and style tips to help you look great every day
An entertaining and inspiring evening with
True Colours for Life Consultant
Jane Chapman

Saturday 4th July

7.45pm for 8.00pm

St Thomas' Church, Chatsworth Road

Free mini colour consultation for one lady
and lots of practical advice and ideas
for all of us to use the very next day

- Complementary glass of wine or juice on arrival
