Issues

- Ability to see the vacancy as an opportunity for us all to serve God better
- Unity and vision
- Help in thinking outside the box
- More volunteers for Sunday children's work
- Increased involvement of members in leading worship. Need for more people on rotas. Involvement of house groups in evening services at St Thomas.
- The development Project

Note:

Robin Dawson is responsible for the list of names in this leaflet. He did his best, but it is most probable that there are other people in St Thomas and St Peters who have taken on extra responsibilities and who are not on the list. Please pray for them as well and let Robin know about the omissions.
